

Payment

The fee for the eight week course is \$325. This includes 8 weekly 2 ½ hour classes and an all day Saturday retreat, home practice recordings as well as weekly handouts and consultation with the instructor outside of class as needed. **Payment is due at the Orientation/Registration Session, unless otherwise pre-arranged with the instructor.**

Special Circumstances:

If the lump sum fee is a hardship I will be glad to arrange **payment by the week or to make smaller payments over a longer period of time** (See payment options below). Both methods have worked well for MBSR participants in the past.

I have **2 full scholarships per class** available for those who *would not otherwise be able to take this course because of inability (disability, unemployment, etc.) to pay*. These **must be prearranged** between the student and myself.

You can take MBSR again as a **“refresher” course for reduced price (\$165)**. Also, for **spouses, partners or immediate household family members** of those taking the course, I offer the course at **reduced price (\$200)**.
